VWR believes that every lab deserves to find the tools that best suit their individual needs. A wide range of options is crucial to a world of accelerating scientific advancement. That's why we publish elements six times a year – delivering on our mission to provide the latest information on a wide array of new products and services that make your job easier.

#### Finding the Right Pipet Tip Just Got Easier!

- Simply search by your current pipettor brand or the right pipet tip attribute
- The selector guide instantly returns a list of tips that match your needs, from which you can click to find more information and add to your shopping cart. It's that easy!
